About the Conference

The 9th Annual International Conference on Communication, Security and Optimization of Decision Support Systems (IC-CSOD) is an event of Thakur College of Engineering & Technology (TCET), Mumbai under MULTICON-W 2018. MULTICON-W 2018 is a platform for multiple conferences and workshops encompassing themes related to various disciplines of Engineering & Technology.

The objective of the conference is to bring professional engineers from industry, academics, research organizations and research scholars of matching interests on a common platform to share new ideas, experiences and knowledge in these fields of Engineering and Technology. Such interactions will facilitate better understanding about technological developments all across the world amongst the peers. The tracks of the conference include, but are not limited to the following:

Emerging Trends in Communication & Networking

Tracks

- ▶ Wireless Communication & Networking
- ▶ Mobile Computing, Communication & Sensing
- ▶ Future Internet & Next-Generation Networking
- ▶ Communication Networks QoS & System Modelling
- ▶ Mobile Adhoc Networks & Wireless LAN
- ▶ 3G, 4G, 5G Networks and its Applications
- ▶ Architecture Design of Ad-hoc Sensor Networks
- ▶ Routing Protocols in WSN and their Qos Provisioning
- ▶ Wireless Multimedia Systems & P2P Multimedia Services
- ▶ Energy-Efficient Communications
- ▶ Software Defined Network

Research Challenges in Security

Tracks

- ▶ System Security, Information Assurance & Cryptography
- ▶ Next Generation Encryption Algorithms
- ▶ Attacks & Cryptanalysis
- ▶ Cyber Security, Ethical Hacking and Digital Forensic
- ▶ Intellectual Property Protection
- ▶ Architectures, Devices, Security & Privacy
- ▶ Cloud Security & Security in IoT
- ▶ WebApp Security-OWASP
- ▶ Security in End-to-End Data Transmission Using TLS
- ▶ IP Security
- ▶ Security in 3G, 4G & 5G Networks

Advances in Optimization of Decision Support Systems

Tracks

- ▶ Multi-objective Optimization & Optimization Algorithms
- ▶ Decision Support Systems & Techniques
- ▶ Business Intelligence & Knowledge Engineering
- ▶ Computational Intelligence & Optimization
- ▶ Optimization using Evolutionary Intelligence
- ▶ Optimization in Text, Data & Web Mining
- ▶ Optimization of Privacy in Knowledge Engineering
- ▶ Information Retrieval & Pattern Recognition
- ▶ Knowledge Acquisition & Expert Systems
- ▶ Decision Science & Optimization of Decision Trees
- ▶ Optimization in Bio-informatics & Data Streams Handling

Author Guidelines

Papers submitted by the author should be unpublished papers based on original research work, project work, case study, paper review, work experience in the field, etc. Authors have to register for the conference. At least one of the authors has to register for paper presentation. Please see registration page of conference website for details. The length of the paper including the abstract and all diagrams should not exceed six (06) for full length paper & four (04) for short length paper of A4 size pages. Papers should be submitted in MS-Word doc/docx format. For detailed format kindly refer conference website.
